BURN FAT NATURALLY

# Garcinia

## Slimming Gum

with Garcinia Fruit, Green Coffee & Ginger Extract

**The Real Power Behind Garcinia Cambogia is its key ingredient, Hydroxy Citric Acid (HCA)**

HCA inhibits citrate lyase enzyme in your body which is known to be an important catalyst in the metabolic process of converting excess carbohydrates into fat and also the Chlorogenic Acid from green coffee extract helps people to lose weight. The ginger has the properties of gastrointestinal motility, it reduces the appetite, the caloric intake and tailors the amount of food ingested to the energy needs of the body and increases the metabolism rate by burning the fat.

**The benefit of this product:**

- Reduce Appetite & Fat Burning
- Reduce Fat Absorption
- Enhance Body Metabolism

**Usage:** Use 3 gums daily (morning, noon and evening) before 30 minutes from eating. If you have any existing medical conditions or any health problems, please consult your health care professional. Do not exceed recommended dosage.

with Calcium Carbonate

# Acidal

## Fast Acting

### Anti-Acid Chewing Gum

**Work fast to relieve. Heartburn and upset stomach**

Oesophageal acid neutralization with antacids depends on the duration of oesophageal antacid exposure and acid neutralizing capacity. A gum that releases antacid as it is chewed could take advantage of both mechanisms to enhance heartburn relief.

**Uses Relieves:**

- Heartburn
- Acid Indigestion
- Sour Stomach
- Upset stomach due to these symptoms or overindulgence in food and drink.

**Usage:** Use 1-2 gums by day when needed.

Do not take more than 4 gums by day.
